

Join Us In European Ministry!

"Come over...and help us." Acts 16:9

Paul's invitation to take the gospel to Europe was a simple one. "Come and help us!" Bringing the love of God and the truth of the gospel is the greatest help we can give!

On Friday, April 5 we will leave for a visit to our brothers and sisters who are faithfully leading and serving the church in Ukraine, Germany, and Estonia. In Ukraine we will meet with local and national leaders of the Ukrainian Baptist Union. We will also participate in ministry and training to Church Planter couples from more than 20 Ukrainian oblasts, and regional leaders of Church Planting movements across the country. We plan to be there for two weeks.

On April 24-26 we will make our way to Munich, Germany, where we will spend a day with our dear friends and fellow laborers, Kyle and Matilda Tromanhauser. The Tromanhauser family has been faithfully working at planting an International congregation in this strategic city for 8 years. In recent months, Kyle has faced some medical challenges, and they are experiencing the "empty nest" for the first time (always a tough adjustment!). We are excited to have a brief, but precious visit opportunity with them.

On the 26th we will make our way to Estonia. For 9 days, we will visit churches, camps, seminaries, and ministry partners in Tallinn and Tartu. We'll be joining a ministry team led by Dr. Bill Ankerberg, which will include many Converge pastors and leaders from around the United States.

We're inviting you to join us on this journey! Your prayers for us are essential to the fruitfulness of our ministry. As Paul told the church in Corinth, **"And you are helping us by praying for us. Then many people will give thanks because God has graciously answered so many prayers for our safety."** Please use the attached Prayer Calendar to pray for us each day as we travel, listen, teach, preach, encourage, learn, and worship over the coming 5 weeks. Thank you for your love, prayers, and support! Your partnership makes our ministry to the Europe and Mediterranean Region possible! We can't do it without you!
